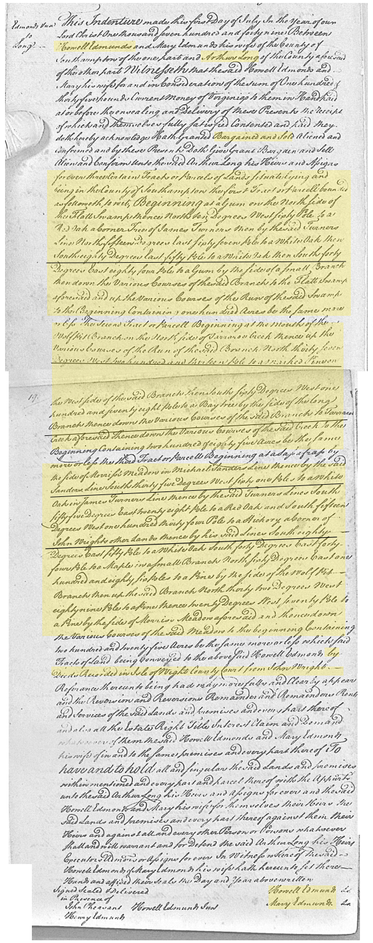
*An absolutely bare bones minimal explanation is given as to how Howell Edmunds acquired the 3 patents from John Wright other than this:*

**"said Tracts of land being conveyed by Howell Edmonds by Deeds Recorded in IOW County Court from John Wright"**

*I can easily assume a conveyance was scribbled on the back of said patents and Mr. Howell then presented the documents in Court "at his convenience" to get the legal ownership (which he obviously did).*



Southampton

Deed Book 1 1749-1753 Wright, John Page 19

***Howell Edmunds***
***wife Mary***
***to***
***Arthur Long***
***3 Tracts***
***1749***
